August 29, 2021 Everything I Ever Needed to Know I Learned in Bible Class

Everything I ever needed to know I learned in Bible class. I learned that Jesus loves me. I know He loves me simply because the Bible tells me so. I also learned that the B-I-B-L-E, is the book for me. I'll stand alone on the word of God, the B-I-B-L-E. There is something about that Bible... The more I read the Bible, the happier I'll be.

I learned that Jesus loves all the children of the world regardless of if their skin color is red, yellow, black, or white. I learned that even though I may not march in an infantry, ride in the Calvary, or shoot the artillery, that I'm in the Lord's army. I learned that while I'm riding in my gospel chariot I should stop and pick up sinners, but if the devils in the way, I should run right over him. I learned something very important about the devil too: 1-2-3 he's always after me, 4-5-6 he's always throwing sticks, 7-8-9 he misses every time, 9-8-7 I'm on my way to heaven, 6-5-4 there is always room for more! 3-2-1 the devil is on the run. Glory, Hallelujah, Amen!

Something else I learned in Bible class is that wise people build their houses on the rock, and their houses stand in times of trouble. Foolish people build their houses on the sand, and when troubles come their houses go SPLAT! I should always build my house on the Lord Jesus Christ. I also learned that as prayers go up, blessing come down.

I learned that if you're happy and you know it, then your face will surely show it.... and about joy... I learned I should have the joy, joy, joy, joy down in my heart and the love of Jesus down in my heart, and if the devil doesn't like it, he can sit on a tack.

I learned that my little eyes should be careful what they see, my ears should be careful what they hear, my mouth should be careful what it says, my hands should be careful what they do, and my feet should be careful where they go. Why? because my Father up above is looking down in tender love. When He looks down, he should see my little light shining all over town. I should never hide it under a basket or let that stick throwing, tack sitting on devil that I ran over with my gospel chariot blow it out. That devil sure is persistent and resilient.

I learned that if you run from God, you might get swallowed up by a big fish. If I throw the stone, God will make sure it hits the giant in the head. I learned that my God is so big, so strong, and so mighty and that there is nothing my God cannot do. After all, He holds the whole world in His hands.

Life isn't that complicated. Everything I ever really needed to know I learned in Bible class!

Questions for H2H Discussion – Read Heb 1:1-4

1. What does God's desire to communicate with man throughout history tell us about Him?
2. How does God's willingness to use angels to protect His people in the O.T. increase your faith?
3. Read Luke 2:17-18 and discuss what the shepherds did after seeing Jesus. How can that motivate us to do the same?
